MONEY-BACK GUARANTEE

Order with confidence and enjoy the **Look, Listen & Learn** experience at your leisure. All our products carry a 100% money-back guarantee. If within 14 days you are not entirely satisfied, simply return it in saleable condition and we will cancel your invoice or refund your payment.

Maximedia's innovative **Look, Listen & Learn**® series is an exciting, all-Australian teaching resource used by schools throughout the country.

Specifically designed for classroom use, **Look, Listen & Learn**® sets provide differentiation and a stimulating learning experience for primary students and also for special-needs students at higher levels.

Most sets feature a DVD video and an interactive CD-ROM, as well as printed readers and multi-level electronic readers. They include tasks for students to reinforce learning and encourage critical thinking.

SEE INSIDE CATALOGUE FOR FULL DETAILS.

NEW!

Australian Geography

Australian geography becomes fun and exciting as your students explore our big country and its neighbours with cartoon characters Jess and Jason and feathered guide Ollie Owl.

Fly over mountains, along rivers, through deserts, above cities - even skim the Great Barrier Reef - to discover the essential features of our island continent.

The exciting DVD video is complimented by an interactive CD-ROM designed to reinforce knowledge with quizzes and other activities.

Students can immerse themselves in further self-paced study using iPad and Android eBooks that "drill down" through the text.

SEE inside for more details and pricing.

AUSTRALIAN DEMOCRACY

Today all adult Australians have a say in how our country is governed. But how did six British colonies come together over a century ago to form one nation?

Australian Democracy tells this fascinating story and examines how those once denied democratic rights, including women and indigenous people, won the right to be full citizens of a truly democratic country.

Topics include: ● The government and law of Australia's indigenous people. ● The role of the governors during British colonisation. ● The rise of democracy during the goldrush and the Eureka Stockade. ● The campaign for federation. ● Women demand the vote. ● WWI and Australian identity. ● The struggle for Aboriginal rights.

MULTIMEDIA CD-ROM (WINDOWS & MAC)

The CD-ROM includes:

- ★ **On-screen book** you can read and listen to.
- ★ **On-screen activities** such as find-a-word, cloze activities, crosswords, drag-and-drop games, jigsaws, true/false quizzes.
- ★ **Writing exercises** include writing a letter and news report from different perspectives.
- ★ **Teacher resources** include blackline masters to print out (with answer sheets); primary source texts such as books, diaries and eye-witness accounts; and links to internet resources.

DVD VIDEO

Harnesses the power of TV to help students understand the story of Federation. Uses rare original footage and images, sound and songs to bring the story of our nation's birth to life.

PRINTED READER

Full-colour, 24-page book with images from the time, fact boxes, timeline, glossary and index.

IPAD/TABLET INTERACTIVE READER

NEW multi-level interactive version of the printed reader allows advanced students to drill down for more information. A range of quizzes test comprehension. Suitable for whiteboards.

BRITISH COLONISATION *of Australia*

This three-part series looks at Australian history from the Dreaming, through the arrival of early European explorers, the coming of the First Fleet and the harsh years of convict settlement.

Part 1: Australia before British colonisation explores the unique cultures of Australia's Aboriginal people — as well as their first contact with outsiders.

Part 2: The First Fleet and the colony's early years follows the voyage, the struggle to establish the colony, and the newcomers' relations with the Aborigines.

Part 3: Australia in convict times examines the harsh realities of convict life. But those who earned their freedom could build a better future for their families.

★ **Teacher resources** include blackline masters to print out (with answer sheets) and more.

NEW AUSTRALIAN GEOGRAPHY

Introducing **Australian Geography: A Bird's Eye View**, a fun new way to discover the geography of our great country. Our two engaging cartoon characters, Jess and Jason, explore Australia with their feathered guide, Ollie Owl.

Combining animation, spectacular fly-overs, informative graphics and real-life footage and stills, this entertaining DVD video introduces students to the essential features of our island continent.

They'll discover Australia's place in the world, learn about the states, territories and capitals, visit neighbouring countries, find out about our seas and oceans, dive the Great Barrier Reef, and explore mountain ranges, rivers, deserts and more. A fun way to learn!

DVD VIDEO

Harnesses the power of TV to help students understand Australian geography. Uses cartoon characters and breathtaking fly-overs to provide an exciting approach to the subject.

iPAD/TABLET INTERACTIVE READER

NEW multi-level interactive reader allows advanced students to drill down for more information. A range of quizzes test their comprehension. Suitable for whiteboards.

Australia's Goldrush

Take your students back in time to one of the most colourful and important periods in Australian history — the great goldrush of the 19th century.

Australia's Goldrush takes this dramatic period out of the history books and into the classroom in a way that makes it easy to understand and remember.

Topics include: ✓ How gold changed Australia. ✓ The discovery of the goldfields. ✓ The Eureka Stockade. ✓ Life on the diggings. ✓ Women & children. ✓ Immigrants drawn to the goldfields. ✓ Consequences for Aboriginal people.

MULTIMEDIA CD-ROM (WINDOWS & MAC)

The CD-ROM includes:

- ★ On-screen book you can read and listen to.
- ★ On-screen activities such as find-a-word, cloze activities, crosswords, drag-and-drop games, jigsaws, true/false quizzes.
- ★ Writing exercises include writing a letter and news report from different perspectives.
- ★ Teacher resources include blackline masters to print out (with answer sheets); primary source texts such as books, diaries and eye-witness accounts; and links to internet resources.

DVD VIDEO

A two-part DVD documentary — including exciting and humorous re-enactments filmed on location in Australia — for class viewing and discussion. Running time approx. 26 mins.

Australian Explorers

The exploits of Australia's explorers played a key role in our history. Now your students can relive the triumphs and tragedies of our early explorers, including:

- ◆ Bass & Flinders charting the coastline.
- ◆ Blaxland, Lawson & Wentworth conquering the Blue Mountains.
- ◆ Hume & Hovell blazing the trail to Port Phillip (Melbourne).
- ◆ Sturt solving the mystery of the rivers.
- ◆ Eyre & Wiley crossing the Nullarbor
- ◆ Leichardt unlocking the North.
- ◆ Kennedy's fatal trek to Cape York.
- ◆ The triumph and tragedy of Burke & Wills.
- ◆ McDouall Stuart blazing a route to the Top End, opening the way for the overland telegraph.
- ◆ Giles and the Forrest brothers opening up the West.

MULTIMEDIA CD-ROM (WINDOWS & MAC)

The CD-ROM includes:

- ★ On screen book you can read and listen to.
- ★ On-screen activities such as find-a-word, cloze activities, crosswords, drag-and-drop games, jigsaws, true/false quizzes.
- ★ Writing exercises include writing a letter and news report from different perspectives.

NEW multi-level readers cater for a wide range of student abilities

All Look, Listen & Learn[®] readers are now available in an exciting new multi-level format for iPad and most Android tablet. They can also be read on electronic whiteboards.

Unlike traditional books that cater for all students on one level, our multi-level readers have hyperlinks and hotspots inside pictures, illustrations and text so more advanced students can "drill down" to get more information.

This not only increases students' knowledge and comprehension, but also enriches their vocabulary and computer skills. The multi-level readers are innovative tools for teaching special-needs students.

Each multi-level reader includes a challenging range of activities to test student comprehension. These include multiple choice, drag-and-drop, hotspot and cloze activities.

Some of the multi-level features are shown at right.

To see a short video that explains exactly how the multi-level readers could help your students, please go to:

www.looklistenlearn.com.au/readers

If you already own a Look, Listen & Learn[®] product and would like to purchase multi-level readers, please contact us for upgrade pricing. Email to: orders@looklistenlearn.com.au

NEW DVD WHY ANZAC DAY?

Every April schools throughout Australia hold Anzac Day ceremonies. Many students march in Anzac Day parades.

This new DVD video explains the origins and significance of Anzac Day to help prepare students for the event.

Using rare archival film, photos, songs and eye-witness accounts, **Why Anzac Day?** not only covers Gallipoli and other campaigns of World War I, but also looks at such topics as:

- ✿ Who were the Anzacs?
- ✿ Why did so many young Australians volunteer to fight in a terrible and bloody war on the other side of the world?
- ✿ The role of women, both as army nurses and on the home front.
- ✿ What kind of country was Australia in the early 20th century?
- ✿ How did the tradition of marking Anzac Day begin and how has it evolved up to the present day?
- ✿ What role do other conflicts Australia has fought in play in the Anzac Day commemorations?
